

Practicum Scholarship Model

The Practicum Scholarship Model has been designed to assist with offsetting the high cost of substitute care during the practicum semester. Please note that applicants must be in current good standing on an Associate Scholarship Model.

Eligibility Requirements & Responsibilities:

- Applicants must be currently on an Associate Scholarship with T.E.A.C.H. Nevada and must be in good standing
- This is a one-time only scholarship; if recipient withdraws or fails, then practicum scholarship reapplication will not be awarded
- Verification of substitute care will be required
- Recipients of the practicum scholarship are responsible for locating substitute care
- Must pass with a C or higher
- Scholarship recipients must maintain clear communication with the Project Counselor
- Scholarship recipients must adhere to T.E.A.C.H. Nevada paperwork requirements and deadlines

T.E.A.C.H. Nevada Provides:

- \$1,500 substitute care stipend
- The support of a Project Counselor
- All benefits associated with the associate scholarship model
